POWERS OF 5

Food and Agriculture

Social & Environmental

Dimensions of Health and Interdependence

SPIRIT

- How homo sapiens think, feel, and perform
- How my community thinks, feels, and performs
- How my family thinks, feels, and performs
- How I think, feel, and perform
- The health of my body

GRATITUDE

- Soil health
- Health of the food and watersheds
- Health of cultivated and wild habitats
- Health of all terrestrial and oceanic biomes
- Climate stability

The health of all terrestrial and oceanic biomes
